

Time	Main Stage	Secondary Stage	Workshop Room
08:30 - 09:00	Registration, Arrival & Coffee		
09:00 - 10:05	Welcome & Official Opening Ceremony		
10:05 - 10:25	Conference Objectives		
10:25 - 11:10	Flagship Plenary - Scaling Up		
11:10 - 11:25	Coffee Break		
11:25 - 12:10	Flagship Plenary - Health & Life Science		
12:10 - 13:00	Flagship Plenary - Agri-Food		
13:00 - 14:00	Lunch Break		
14:00 - 15:30	From Innovation to Scale	BSGN Industry Accelerator for Health & Life Science (MEDES)	Lunar Construction
15:30 - 17:00	LEO Commercial Service Providers	BSGN Industry Accelerator for Space Resources (ESRIC)	Connecting Danish Life Science to Space – Building Future European Advantages Together
17:00 - 17:15	Coffee Break		
17:15 - 18:30	Building the Future of Lunar Infrastructure	Academic Challenge Pitches	Space Forge Hosted Payloads Workshop
18:30 - 19:30	Networking		
19:30 - 20:00	Contract Signature Event		
20:00 - 21:30	Cocktail Reception and Networking		

Time	Main Stage	Secondary Stage	Workshop Room
08:30 - 09:00	Microgravity Breakfast hosted by Space Cargo Unlimited		
09:00 - 09:05	Welcome		
09:05 - 09:50	Flagship Plenary - Advanced Materials & ISM		
09:50 - 10:35	Flagship Plenary - Space Resources		
10:35 - 10:50	Coffee Break		
10:50 - 12:20	Disruptive Innovation	BSGN Industry Accelerator for Agri-food (STAM)	Economics of Space Resources
12:20 - 13:20	Lunch Break		
13:20 - 14:50	Lunar Resources Prospecting	BSGN Industry Accelerator for Advanced Materials & In-space Manufacturing (Catapult)	Commercial Operations in Orbit: Lessons from the Field
14:50 - 16:20	Innovation for Astronaut Health	Closing the Infrastructure Gap: Manufacturing Technology for the Space Economy	Emerging Commercial Space Markets (RFI)
16:20 - 16:35	Coffee Break		
16:35 - 18:05	Commercial Lunar Transportation and Payload Delivery	Market Driven LEO Architecture	Emerging Commercial Space Markets (RFI) - Cont.
18:05 - 18:50	Final Session
